## Active Rider wait lists 2018

Many thanks for your interest in our events. Our system of managing the wait list will be simple and fair.

To join the wait list all you have to do is complete the online form. See the screen shot below for instructions.

The time and date will be recorded and we no longer rely on manual systems.

As you are probably already aware, you never know what is around the corner with horses, most people are successful in gaining a place at camp through the wait list, however this cannot be guaranteed.

Also we will not publish in order to maintain confidentiality.

Active Rider will reserve the right to use discretion in exceptional circumstances when managing the wait list.

Thanks for your involvement and I look forward to seeing you at camp. Any queries please do get in touch.
